The Ashland Independent says of the lecture on "Hamlet" by Judge A. A. Wadsworth: The lecture was classical, the speaker showed a true appreciation of his subject, he clearly portrayed each character of the great tragedy, he showed himself a great student of Shakespeare, and one could follow him and clearly see each character as it was. A prominent professional man who attended, and who had been Booth, Barrett and Irving in "Hamlet," and who had heard many explications of this great tragedy, was enthusiastic in his praise, and said it was the finest he ever heard.

### A GENTLE HINT.

In our time of climate, with its sudden changes of temperature, rain, wind and sunshine often intermingling in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds. But the death resulting directly from this cause. A bottle of Boehrle's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Croup, Whooping Cough, Croup, or any disease of the Throat or Lungs, the syrup is simply wonderful, as you cannot tell how you get a single bottle free from J. Jas. Wood & Son, Mayville, Ky. Regular size 75¢. One Green's Price Allowance.

Take a cup of Arbuckles' Coffee and a cup of the "cent-a-pound-cheaper" kind. One taste of each will prove to you that the reason Arbuckles' costs a little more is because it's worth more. It's selected with greater pains, roasted with greater care, packed with greater skill. It comes to you as fresh as when it left the roaster. Not a particle of its strength or flavor lost. Cheap coffee lacks both strength and flavor.

## ARBUCKLES' Roasted Coffee

is cheaper in the end than other coffees because it makes more cupsful to the pound and gives far greater satisfaction.

With each package of Arbuckles' Coffee you purchase a definite part of some useful article which is yours on presentation to our Notion Dept. of a certain number of signatures cut from the wrappers. You'll find a list of the articles in each package.

### It Takes a Remedy of Uncommon Merit to Draw the Unqualified Praise of a Successful Practicing Physician.

Dr. J. W. Bates of Corin, N. Y., states: "A most remarkable case has come under my hands of late and has fully convinced me of the wonderful power of Dr. A. W. Chase's Nerve Pills over diseases of the nerve."

"A young lady who was treated for over two years for epilepsy by two doctors was given up to die. I found that her sickness was not epilepsy, but nervous troubles, due to menstrual derangements, and prescribed four of Dr. Chase's Nerve Pills a day, after meals and at bed-time. Since that time she has not had a single bad spell. Her health has rapidly improved, she has gained about 15 pounds in weight, and I hesitate to state that Dr. A. W. Chase's Nerve Pills have saved her life and restored her to health."

Mrs. Fawcett of Marietta St., St. Clairsville, O., says: "I have used Dr. A. W. Chase's Nerve Pills and can recommend them to others as a good sound reliable nerve and general tonic. When I got the box of the Pills I was complaining of nervousness, weakness and pain through the shoulders—rheumatic in type—digestion not over good as usual. The effect of the medicine has been very satisfactory indeed. So marked has been the change towards health and comfort I can conscientiously say they are fine and what they are represented to be. At my advanced age I feel I am getting all the benefit possible."

See that the portrait and signature of Dr. A. W. Chase are on every box. Price 50 cents a box—Six boxes for \$3.50. Manufactured by Dr. A. W. Chase Medicine Co., Buffalo, N. Y.

There Are Hundreds of Maysville People Similarly Situated.

Can there be any stronger proof offered than the evidence of Maysville residents? After you have read the following quietly answer the question.

Mr. A. W. McClanahan of 119 West Second street says.

"The use in my case fully demonstrates the value of Doan's Kidney Pills. I suffered more or less from kidney trouble for twenty years, steadily becoming more persistent as time passed on. My attention was called to Doan's Kidney Pills and I got a box at J. James Wood & Son's Drugstore, corner of West Second and Market streets. The treatment so greatly benefited me that my only regret is that I did not know of this valuable remedy years ago, for had such been the case I would have been saved much suffering."

### An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appear to you as though the advertisers were indulging too freely in fine words? Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials; turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress Goods, White Goods, Carpets, Mattings and Housekeeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality considered. Respectfully,

GEORGE COX & SON.
